SAFETY: Safety is at the forefront of every event, and all anglers must recognize that; fishing from an open boat is inherently dangerous, and as a result, the Armed Forces Fishing League seeks to minimize those hazards with these general safety rules.

- Safe boat conduct and speed limits must always be observed by competitors. During official practice and competition, competitors must wear a U.S. Coast Guard-approved chest-type life preserver and must always be worn while the combustion engine is in gear. This life preserver must also be properly secured and maintained in that condition until the combustion engine is no longer in gear. Violation of this rule shall be a reason for disqualification. "Fanny Pack"

preservers are not allowed. In the event a boat is being towed, all anglers in the towed boat must wear a life preserver.

- Tournament officials may delay, shorten, restrict tournament waters, or cancel the start of an official tournament day because of bad weather or other factors that would endanger the safety of the competitors.
- The AFFL reserves the right to impose boat speed limits during any or all tournaments. The decision to impose a speed limit, the area covered by the speed limit and/or the actual speed limit shall be left exclusively to the discretion of the tournament director.
- In the event of an emergency, competitors should call 911 immediately and then notify tournament officials. Competitors may leave the boat and seek safe shelter in bad weather when danger may be imminent, at which time all fishing must cease.

SPORTSMANSHIP: Anglers participating in an AFFL sanctioned event are expected to uphold the highest standards of sportsmanship, courtesy, safety, and conservation and shall always conduct themselves in a professional manner. Members shall use their best efforts to demonstrate professionalism and integrity in support of the sport of bass fishing and the Armed Forces Fishing League. Any angler who does not carry themselves as such, will be subject to fines, forfeiture of tournament winnings, probation, suspension from competing in AFFL events, permanently banned from the league, or any combination the outlined consequences above deemed appropriate by the Armed Forces Fishing League.

The use, possession of, or consumption of illegal drugs or alcohol by any competitor during official practice or tournament hours will be cause for automatic and immediate disqualification from this and all future tournaments. (Exception; medication prescribed to the angler by a licensed physician). If a contestant is prescribed a medication that hinders their ability to safely operate a motor vehicle, they will not be allowed to partake in the event without a note from their physician stating that they are able to safely operate a boat.
- 2.) Courtesy must be practiced, especially about boating, and angling near noncompetitors. Any act of a competitor which reflects unfavorably upon efforts to promote water safety, conservation, clean waters, and courtesy will be a reason for immediate disqualification.
- 3.) All competitors are bound by the prevailing statutes and regulations of the state within which the tournament is being held, and all participants are required to have the appropriate state fishing license. A copy of the fishing license will be verified upon the event check-in.
- 4.) Chemical substance addiction or abuse, crimes involving moral turpitude, a conviction of a felony not specifically exempted by the AFFL, or other conduct reflecting unfavorably upon efforts to promote safety, sportsmanship, fair competition, and compliance with tournament rules shall be grounds for rejecting any application for participation and/or for disqualification. Any disqualification, suspension from, or disciplinary action imposed by any fishing organization will be grounds for rejecting applications for participation in a tournament and/or

disqualification from a tournament after circumstances are reviewed by the AFFL Tournament Director.

TACKLE AND EQUIPMENT: The use of a landing net is allowed. The use of grippers in landing bass is prohibited. Only artificial lures may be used. The AFFL tournament officials shall have the sole responsibility for determining whether aeration and capacity is proper and adequate.

BOAT IDENTIFICATION: Prior to each day's start, every boat will be inspected and checked by a tournament official. Boaters will be given their launch numbered by text or by a card, and it is the boater's responsibility to ensure they are checked-out and checked-in by an AFFL official.

If an emergency occurs, competitors must call 911 immediately then contact a Tournament Director, at which time all fishing will cease. If after the emergency has been resolved, tournament officials may allow competitors to resume fishing. Trailering boats during tournament hours is prohibited. You may leave the boat if "duty calls" but fishing from both team members must cease until they are both back in the boat. Do not leave the boat and go onto private property. It is up to the competitor to know whether the land is private property. If any competitor trespasses, it may be grounds for immediate disqualification from the event.

At the time of check-out, all boats must be in full compliance with all the rules set forth by the Armed Forces Fishing League.
